Thread: [Spartan Crypter?](#)

Raidage - November 27, 2017, 3:23 am

Hello guys

i hope its ok to ask

im about to buy Spartan Crypter

and i want to know if its really bypass most of the AV? and really fud all the time and good crypter ??

i want please answer from people who use it
much ty

Alone. - November 27, 2017, 10:05 am

you should ask on there thread so other users who bought that crypter will reply.

Bombaclut - November 27, 2017, 10:06 am

Yes it does bypass AV.

I have spoken to people who have puchased.

Vitani is a great guy regardless. U have no issues.

I've heard it's quite good and has very frequent updates. I have not used it myself though.

Domynyo - November 30, 2017, 3:48 pm

I use it and is good, it s fud 12h + updated every 12/24h
