i think The original sims. There was nothing better than building a house to that soft, slow piano. Sometimes while I'm playing TS3 I'll listen to the original soundtrack because it's just so much better.

The Nintendo Wii sports theme was pretty good
Loved that

Baby Groot - November 28, 2017, 5:36 am

Mega Man X, Silent Hill 3, Halo 3, Street Fighter 2, Final Fantasy 8 and Parappa the Rapper!

Watch dogs 2 Scores not the songs on the radio but the ones by hudson mohawk.

If we are talking in game radio songs then GTA Vice City

javinzplayer - November 28, 2017, 8:14 am

Tempest has the best video game soundtrack ever.

canine - November 28, 2017, 8:38 am

croc legend of the gobbos or kingdom hearts

Killy - November 28, 2017, 8:42 am

call of duty mw2
dont hate hehe

lary_30 - November 28, 2017, 8:52 am

Runescape for sure LUL the nostalgia is real
