Thread: [eWhore earnings - 1 week {BIG RESULTS}](#)

Earner - November 30, 2017, 10:46 pm

DON'T PM ME ASKING ME FOR HELP OR TO BUY MY METHOD. I'M NOT SELLING ANYTHING. THANKS!

So yeah... in one week, I made \$1350, and that is with having to work 4 days a week as well. Wow. Never thought I would "come this far" in eWhoring. Crazy stuff. If I didn't have to work, I could probably pull in 2k+ in a week. 100k a year from selling porn of a random girl. Crazy.

Condoms - November 30, 2017, 10:47 pm

And how much time each day did you put in?

Of actually having to type to people? An hour maybe? I am watching movies/playing CSGO/out at a bar using my phone to respond to people so it's not like I'm stuck there trying to earn money all day. I can pretty much do anything and eWhore except my real job because I can't be on my phone.

I mean, it wasn't 1 hour of work, but about 1 hour of work per day. So 7-8 hours of work. Still crazy in my opinion.

What kinda method do you use? I'm trying to get into it but whisper method isn't working well.

Actually was trying to find out how to pay taxes on it and read in PayPal's ToS they don't report any earnings in a calendar year under \$20,000, and I use multiple PayPal's per year to receive payments on.

I think they report it if you reach 200 transactions

Crazy earnings, I remember doing this over the summer. Keep it up.

Drolta - December 5, 2017, 4:53 pm

I always knew and believed this is a very profitable way to generate income, keep up the good work.

tfti10001 - December 5, 2017, 4:56 pm

Congrats dude. Just don't let ewhoring take over your life

ANME - April 5, 2018, 1:49 am

Wtf? How do you guys use PayPal for receiving ewhore money? Isn't it too risky?

Personally I use an offshore VPN and transfer one paypal account to another.

Can use a disposable email to transfer to then transfer that one to another one.

your thread was made back in nov '17, are you still making money off ewhoring or given up ?

Yes, but not as much since CL eWhoring is pretty much done. I have made \$400 this week in 3-4 days so far.

OzzieGirl84 - April 5, 2018, 5:32 pm

ohh, its super hard doing ewhoring on CL. That shit gets banned super quickly, they watch.
