Thread: [Xbox Account Shop 80% Off Any Game!](#)

Transcendent - December 2, 2017, 3:28 pm

Today I'm selling xbox accounts for 80% off. For example, if I have an account with call of duty WW2 \$59.99 you only pay me \$11.98 . You will also never have to pay for xbox live gold - they are paying for it.

-read before buying!

Spoiler ([Click to View](#)) If you decide to buy an account from me remember to follow these instructions. -

-I will provide you with the email and password to the account along with the gamertag, you will need to check if he is online and playing a game. If you sign him out of his game he WILL change his password so do not sign him out of his game, wait until he logs out of the account and then set as your home xbox. I recommend swapping the home xbox back and fourth so he cant change it (Can only set home xbox 4 times each year) so you will be stuck with all of his games and free xbox live gold.

All sales are final

These accounts are cracked

I'm not responsible for what you do with the accounts

The only risk is dealing with this user.

Deal with extreme caution, check his negative reps too.

PS1888 - January 8, 2018, 4:31 am

Looking for an account with ac origins on it let me know

Thatkidwho - January 9, 2018, 6:42 am

User seems legit, sold me an account with wwii on it, once I got to the account, it had a couple other games but not the actual game I wanted, he showed me the guy did attempt to buy wwii but it failed, so he said he'd replace the account.. So he has been working really well with me.. Then he just quit talking to me for over 24 hours now.. After saying he'd give me the new account when he got home, so waiting for a reply now still.

Edit: user has still yet to respond and I feel like I kind of got cheated now.

Transcendent - January 19, 2018, 12:06 pm

Looking for the New Dragon ballz movie?

Thatkidwho - January 20, 2018, 2:33 pm

I suggest to all users that you do not buy from user, bought an account for one specific game he said it had, and he didn't he admitted he saw it didn't and offered to give me a new account, quit responding to messages after that, ignoring everything after that.
