Thread: [\[OFFICIAL\] Divined & c\\$sh](#)

Divined - December 3, 2017, 5:03 pm

As all groups, I felt like we had to make a thread to let people know what these two groups will be about.

Well, these two groups are completely dedicated to me and c\$sh unless we find a better use for them in the future.

If you got anything in mind, shoot us a PM.

Stashyy - December 3, 2017, 5:04 pm

make it a gaymor group o wait

Z?????????????eus - December 3, 2017, 5:06 pm

Kind of interested to see what your choices will be for either group.. every group focuses on one thing after awhile

Percyi - December 3, 2017, 5:08 pm

Is there a point to buying groups that you only put yourself in, besides to flex?

why dont you give a suggestion instead of just tryna get your post count up

Parks - December 3, 2017, 5:19 pm

I know a great group of people who could easily shit post the lounge every minute, that could be an idea.

Deany - December 3, 2017, 5:23 pm

make the group about cats not even joking

test - December 3, 2017, 5:25 pm

Make them into a specific niche interest group. Similar to Torque being about cars/automotive and Heroes being about anime etc.

I see no other reasonable options.

You're not active as a terminal leader, what are you going to do with these groups?

I'm going to assume it's a flex.
