Thread: [SheepGang Recruitment #1 - General Recruitment](#)

Jak! - December 3, 2017, 7:15 pm

SheepGang is a gaming/lounge group that plays games across all platforms. Remember to put effort in your application.

Keep in mind that joining a gaming group requires patience, dedication and co-operation. If you do not possess these values, do not even attempt to join. If you fail to participate up to 3 events in a row that you sign up for, then you will be removed from SheepGang.

No, that was the sun that did that to you. I don't know how many times the nurses are going to have to tell you that excessive sunlight and chemo don't mix. Maybe we should get you checked for Alzheimer's as well?

Application will be for both sectors as I will be active on forums and on video games. You will notice I tried to keep it straight to the point, I am open for any more questions as well.

Gaming Application:

Username:

Zeus

Age:

20

Gaming Platforms:

Ps4/ PC (PS3/xBox 360)

Games: mainly console

Ps4- Every COD, Fortnite, Smite, GTA V, Ark, Every 2k, have a lot of games I don't have downloaded but forget them

PC- League of Legends, PUBG, World of Tanks, Rs, TF2, have other games on steam but don't have them downloaded

Why do you believe you belong to be a part of this group?:

I will be a very loyal member who loves to meet new players and can play the hell out of games.

Will you be dedicated to the group?:

Yes, very much.

Do you have anything note-able gaming related?:

I used to run video game sectors in previous groups which include events like game nights. These would allow players to meet others inside the group and build better friendships within. Other than my past, I find myself very competitive online and love to play with teams, communication is my strongest aspect in this and love to dominate.

Legitimately - December 19, 2017, 10:40 am

Username:

My username is Legitimately. Pretty ugly username but I'll change it once I get upgraded/decide to upgrade.

Age:

I'm currently 23 years old.

Gaming Platforms:

I strictly play on PC. I've owned about every console out there except for Nintendo consoles other than a Gamecube and Wii.

Games:

At the moment, my friend and I have been GRINDING Path of Exile. It's definitely one of the best games I've played in a long time, and the fact that it's free and all of the microtransactions are cosmetic just baffles me. I have a long list of AAA games that I own but don't really play.

This list includes; GTA V, PUBG, H1Z1, CSGO, Arma 3, Ark, etc. I have 128 games on my Steam account, so. ?

Why do you believe you belong to be a part of this group?:

I feel like I belong in this group because I'm just as much of a gamer as anyone else is in the group. I'm extremely active when I need to be and definitely very friendly. I was also part of the group before it was sold but it's back now so I would love to be part of the group for a second time. <3

Will you be dedicated to the group?:

Hell yeah I will be.

Do you have anything note-able gaming related?:

Other than the fact that I have 2500+ followers on Twitch, probably not.

Favorite quote?:

Why do you believe you belong to be a part of this group?: I don't believe I belong to any group. I'd just like to find a group of people to play video games with.

Will you be dedicated to the group?: probably if I'm cool with everyone

Do you have anything note-able gaming related?: no. I play for fun.

Why do you believe you belong to be a part of this group?: I was actually OG sheep gang but became a little inactive. I really like the whole setup for groups and it would be a lot of fun to play with people from the community.

Will you be dedicated to the group?: Sure thing! I am on here all the time, it would be nice to get to meet new people and hang out. I do sports and stuff so I can be busy quite a bit, but every weekend and during breaks catch me here.

Do you have anything note-able gaming related?: I really love Smite. I have played with teams before but I would love to find a place
