12/4/2017 21:42 - Restocking BTC

Hey guys!

I am opening this thread to get the business started again and will add the thread design when it is finished. My Paypal is a verified business Paypal in my name and linked to my registered C-Corporation.

You Have Bitcoin?

I will buy your Bitcoin and pay you 0.5%-5% extra Paypal.

You Have Paypal?

I will sell you Bitcoin for a 17.5% fee.

You Have Amazon.com Giftcards?

I will buy your gift cards for 70% of face value in Paypal or 65% face value in Bitcoin.

How to get it started:

PM me:

Quote:I Have: (BTC/PayPal/Amazon)

I Want: (BTC/PayPal)

Amount:

I check PMs every 1 hour 10:00am-10:00pm. I am one of the fastest exchangers on here. I make things easy and would love to work with you. Please make sure you follow the instructions to get the transaction completed as quickly as possible. I have the right to refuse to accept Paypal from anyone for any reason. It is not personal. Thank you!
