If you still have your iPhone, you can transfer your acc. Or you can go pick up a user ipod touch on ebay or something if it means that much to you.

Rip
i feel you
I have a lvl10 clan
and 10 accounts
the hard work for nothin...

Vladimirovich Putin - December 4, 2017, 8:53 am

I remember that therer is a way to transfer it, i did it once

vSam - December 4, 2017, 10:46 am

Email Supercell. They recovered my account
