It's weird how all the people vouching are BRAND new accounts and you have an open DD on you. Nice try kiddo.

They're probably all the same person or that Greek CE scammer who lurks here. It's quite sad really.

JOW - December 8, 2017, 1:56 pm

Do not deal with this user he has open scam reports with proof.

Buster.us - December 8, 2017, 2:49 pm
