Elitas - December 5, 2017, 2:20 pm

Spelling error that pissed me off: "Reply down here to enter the giveaway, youre number is the number of your post."

Firstly, it's "you're" which is the abbreviation of "you are". Also, that doesn't make any sense in the content.

Correct: "Reply down here to enter the giveaway, your number is the number of your post."

Even still, the sentence doesn't entirely make sense.

I already have the gift award and I'm not sure if you're offering any alternative \$20 awards. If you are, then I'll happily enter; if not, I will nominate someone else. Thanks for the giveaway and the group does look interesting although I hate anime (and I'm pretty sure weeb = anime or something).
