Thread: [Suggest a new official group name](#)

KING - December 5, 2017, 4:11 pm

Hello,

As most of you already know that I was going to start The Empire v2 but it's not going to happen anymore. If you've any group name in mind feel free to suggest. I will choose the best name for group and winner will be added to group without any application.

Note: This isn't trolling thread and any post related to trolling/flaming will be reported immediately. Thank you!

Legacy has existed before and it was a gaming group.

Though it was 4 years ago, I believe it should be okay to use Legacy as the name with new group GFX.
