Thread: [Friend is using pics from my mom to e-whore](#)

K???er - December 6, 2017, 9:15 am

So I taught my friend how to e-whore and everything was going great until today. I get a notification on my phone from Kik that someone from my phone contacts is on Kik. So I opened up Kik and saw a profile with a profile picture from my mom, connected to the phone number of my friend. I was like wtf, dude? I asked him about it and he was like denying until I showed him that his phone number was connected to it.

So my friend was using pictures from my fucking mother to ewhore.

Well, there aren't nudes, but the fact that he added his Kik profile (with the profile pic of my mom) to these traffic sites is just fucked up. I mean, wtf.

Just do the same thing to him except use pics of his Dad, and then add his kik with his dad as the profile pic.

VacVince111 - December 6, 2017, 12:14 pm

damn he crazy, at least he's resourceful.

Cool - December 6, 2017, 2:30 pm

OP you must post pics or we won't believe you. If this is true then you better deal with your friend, next time you teach someone to ewhore you better hand them some packs before they try to use the hottest woman they know.
