Memo - I think that it's a bit meh until there's a proper team behind the HF news again. That requires a group perhaps.
Good job Froggy.

Biggy - December 6, 2017, 2:57 pm

Froggy always stepping up to take care of the news!

Good job as always girl.

Memo response:

I do! I enjoy the read every week.

test - December 6, 2017, 3:02 pm

Great work Froggy. Seems like HF News would die out if you stopped working on it. In response to the memo - I care mostly about the User/Group news mostly. It's a great way to catch up on everything that's happened over the week in regards to specific users and groups.

Biggy - December 6, 2017, 3:05 pm

I actually have a suggestion for the news to see if you guys would be open to it:

A lot of the time, I find myself reading the "Weekly News Reports" to see what happens during the week rather than the actual News Thread, which I already know what happens. (Granted, I still do read both). I'm sure I'm not the only one that does that.

I know it's been the same for a long time, but what if if you made news reports in like, a drop box system where they only get reported to the news team? That way, people have the news to look forward to without any spoilers.

Just a suggestion to bring some hype to the news each week.

Would be cool. But things might get reported multiple times then. If i understood your suggestion correct.

Armada - December 6, 2017, 4:26 pm

Has everything we need as usual.

Thanks Froggy for helping with the news. ?

Vanderbilt - December 6, 2017, 4:27 pm

Sorry to be a lurker but I do care about the news and have been reading since about 275

Not Your Average Orange - December 6, 2017, 4:54 pm

Thanks HFNT, great read! I still care :D

Z?????????????eus - December 6, 2017, 4:59 pm

First time reading the news since I'm back, very impressive just like years before.

Good job, Froggy!

Lukas - December 6, 2017, 5:28 pm

We all still love the weekly news, it's just that some people seem less motivated to work on it than prior to the update and removal of Writers.

Yeah, that would be the only slight issue, but I'm sure the news team would be able to easily cipher through the submissions and determine which are multiple reports and which aren't.

Deany - December 6, 2017, 5:50 pm

Wow I can't believe Japanese and Tsundere got their own weeb group ?

Kill Joy - December 6, 2017, 10:12 pm

I like the news to recap on what has happened as I don't stray away from the crypto boards very often.

Nuworld - December 7, 2017, 3:03 am

Great job guys as always reporting the news!
I always look forward to the weekly updates.

However, as one member has stated in this thread (it's just that some people seem less motivated to work on it than prior to the update and removal of Writers.)

The recent updates has indeed taken an impact on the moral of the community.

This is understandable for updates are needed to move forward and to grow.

The Writers Group and it's members will always continue to bring up to date news weekly.

@Froggy Your doing a great job as with all the other Hack Forums Writers.

Keep up the great work!

Crystallize. - December 7, 2017, 6:30 am

Been inactive lately mainly due to life issues, I have uni,work and family to take care of, but whenever I have free time Im checking HF and seeing lots of changes such as users,group news etc... Thanks to HF news it helps me to keep up to date with the changes.

What I'd like to be improved is the last minute add what I mean is even if something new happens in the last minute of thread to be posted I'd love for it to be included in the edition.

Great work Froggy,iHydra and everyone else who is working hard to release us news every week.

I should find the thread back when I did want to do that. Lots of disagreement with the idea. I'll update this post with the link soon.

Edit: Hmm, I wonder if the threads were pruned. Can't find it

Zexo - December 7, 2017, 11:16 am

Seems boring and old to me now.

c\$sh - December 7, 2017, 12:45 pm

I like the news. It allows me to keep up to date on users, groups, and anything else important.

Roytoy - December 7, 2017, 1:35 pm

Yes we care about the HF news. I read every edition. Though it could use some improvement Imo,

and I don't necessarily know what.

Saltpeter - December 7, 2017, 5:10 pm

Good job Froggy, another great edition by you

ZerFallen - December 8, 2017, 2:20 am

I honestly only look at the news to see who was banned or closed. Everything else is public information that I could easily read myself. If I like a section, I've already read what you're reporting on days later; everything else is irrelevant to me and, therefore, skipped.

Captain Steve Rogers - December 8, 2017, 2:22 am

Group news is sick.

People have made it joke.

Raz Riverblade - December 8, 2017, 2:27 am

Look at all those rebrands, that's why I'm not bothering with groups anymore. 90% are just cashgrabs that don't last a year.

I miss the Empire

Elweth - December 8, 2017, 4:07 am

As someone that only visits HF once a week now, I do care about HF News. Hope to see more cool summaries/stories about the site here.

Fudster - December 8, 2017, 7:22 am

I read almost every edition when it comes out :) just i rarely post on the thread.

So yeah i do enjoy HF news

Almonds - December 8, 2017, 8:05 am

Thanks, Froggy!

I do enjoy the news, always answers a few unanswered questions for me.

r0fleZ - December 8, 2017, 10:56 am

Stashyy - December 8, 2017, 11:00 am

Well this is a lovely week.

Captain P. - December 8, 2017, 11:03 am

Appreciate the mentions of my threads <3

Nice edition as always!

zFacetious - December 8, 2017, 6:11 pm

I had no clue the forum had that kinda volume in posts and new members, that is crazy! Nice job on this!

TOM - December 8, 2017, 8:12 pm

Good job Froggy Nice to see someone else making HF news Thread

Lrrr - December 10, 2017, 6:41 pm

I legitimately like what you have done with the news... our shit aside, you do it well.

DenizZ - December 10, 2017, 8:26 pm

Memo: I don't check the news very often anymore. I don't know why I lost interest, maybe because I check everything on the reports thread.

Armada - December 11, 2017, 5:19 am

It should be noted the Legends RAT recruitment is now closed.

No more applications are being accepted for that acceptance challenge.
