Thread: [Open a Supreme/Yeezy Bot programming service?](#)

Amazon Supplies - December 7, 2017, 3:49 pm

I provide services to a few friends just "carting" their accounts.
I have a personal Yeezy & Supreme Bot

I have been programming for 8 years, offer programming services on another forum.
I can provide my resume. I can also provide you custom bots for Yeezy's/Supreme/Jordans or whatever is requested.

I would love to see some people interested / cop some stuff they want with some of the December / 2018 releases.

Let me know some feedback!
