Thread: [Selling Heroes \[UPDATED\]](#)

DOG - December 8, 2017, 2:49 am

I'm selling Heroes for 10 thousand dollars. BTC/ETH. or for 1BTC.

This is a serious sell thread.

I can take payment plan also. \$833 per month for 12month. But you can always PM me another offer.

If you keep it Heroes or at least Weeb, I can make you a small discount.

If you keep me as a Leader, I can also make you a small discount.

Also for free the Last ECLIPSE award: <https://hackforums.net/showthread.php?tid=5727054>

10K will never happen.

Good luck with the sell.
