Thread: [\(\\$5\) SNAPCHAT Money Making Method \[UNIQUE\] NO Ewhore NO CPA NO Requirements -autobuy-](#)

Sonata - December 8, 2017, 11:14 am

Hey HF.

Like many of you when you first joined these forums, I was in search of money, partners, ideas, and, I had a hunger for knowledge. My first steps toward this goal consisted of attempting to meet as many people as possible and obtain as many "methods", ebooks, tutorials, and tools as possible. After wasting hundreds of dollars on useless garbage ebooks and methods, I swore that once I learned my own tutorials, methods, and ebook quality information, I would sell REAL information and allow new members to not fall into the same traps that I fell into.

TOS: No refunds - I can help you if you are confused, but, this is EASY.

0/1 Vouch Copy

I have read the method over, it is short and sweet. I am going to set it up soon which will only take minutes but sales will vary based on the method, so we will have to wait and see, if i do make money I'll report back if I earn anything. :)

Unlike most people I would actually try the method and post an honest review.

What am I supposed to entail, the entirety of the method just jacked out to be some shit like:

So today I have received a vouch copy(you already know that), and the method is so divinely intricate and perfectly woven that it only makes sense due to science and psychology how the method would work(just a bunch of words to validate the method). I will begin setting it up which will only take MINUTES, but sales come in at varying time rates due to the method so you will have to wait to see if I make profit!

lol, the ebook itself is pretty short and straight to the point. i will report if i make money, which is what you would want to hear considering it's a money making METHOD

Frost - December 8, 2017, 1:54 pm

ahahaha

(Dec 8, 2017 02:54 PM)IC3zx Wrote: [\[CITE\]](#) Waiting for the vouch review. Why are you selling the method for only 5\$? Insaturable method?

Because, I do it as a pass time very often with my friends, who have told me to sell the method due to it being unique. Also, it will take a WHILE before it becomes saturated.
