Thread: [Doge Gone, BCH Added](#)

Omniscient - December 8, 2017, 11:31 am

I have completely removed DOGE as a payment option on HF as well as suspended the Dogecoin award.

I have replaced it with Bitcoin Cash (BCH) which also now has an award (\$50 BCH donation) to go with it as well.

You can buy upgrades, donation awards, and stickies all with BCH. I hope this helps those with high transaction fees and wait times.

Thank you.

vSam - December 8, 2017, 11:35 am

Ah Doge, the meme coin.

Cool.

M?xim - December 8, 2017, 11:40 am

Good stuff. And that's a nice award.

4158996621556 - December 8, 2017, 11:41 am

wait so my doge award.... uhh... have i become HackingBitcoinCash now?

NO! I AM STILL A DOGE. YES

lwristis - December 8, 2017, 11:42 am

I expect that one member who won't stop making threads about BCH to get this award.

SIM-1589588 - December 8, 2017, 11:46 am

Thanks for this, I just converted my doge to bch.

?

C_55 - December 8, 2017, 11:52 am

Solid. Cool awards too. Much doge.

EPLS - December 8, 2017, 11:53 am

Crap, too bad my \$20 BTC is worth \$1 in BTCC. Would be L33T or Ub3r right now if BTC fees weren't fucked.

Durham - December 8, 2017, 11:54 am

Nice, that award looks dope!

Froggy - December 8, 2017, 11:57 am

Cool, let's see who buys it first. ?

Z?????????????eus - December 8, 2017, 12:00 pm

Darn, I thought Doge would take off next after BTC

Elitas - December 8, 2017, 12:06 pm

I am curious why Doge couldn't stay? I know it's sort of dead, and maybe people aren't using it but it does seem like it could be useful to still have if it wasn't causing any issues to the site.

Maybe limiting payment options looks good. I do know Omni likes to convert DOGE once he receives it, so maybe that's it?

Orgy - December 8, 2017, 12:07 pm

Hi Omni

I went to buy the award and it's \$20 and still has the Doge icon. If I send \$50 anyway (as per your OP), will CPS send you the full amount?

Elitas - December 8, 2017, 12:10 pm

Hey, Omni, found a few mentions of the dogecoin award/payment method throughout the [Help Docs](#) (also some of the new awards aren't mentioned yet; there were also other mentions of DOGE as an example of a cryptocurrency, but that's not really related to it as a payment method):

Quote:How do I get the donation awards?

We have multiple awards you can obtain via a donation. For example you can get the Green Emerald Donator award by donating \$20 to HF. If you donate \$50 or more to HF, you'll get the Rich Bitch award. All awards are for separate one-time donations. So to get Emerald and Rich Bitch you need to donate at least \$70 in a single donation. We do not accumulate small donations toward awards. The Grand Amethyst is a \$1000 one-time donation. You can Buy Awards here.

Here is a simple breakdown.

Emerald Emerald \$20+

Rich Bitch Rich Bitch \$50+

Benefactor Benefactor \$200+

Bitcoinage Bitcoin \$250 in BTC

Litecoinage Litecoin \$20 in LTC

Darkdash Dash \$20 DASH

Monero Monero \$20 XMR

Dogecoinage Dogecoin \$20 DOGE

ZECret ZECret \$20 ZEC

Rippled Rippled \$20 XRP

Etheriest Ethereum \$20 ETH

Stratisphere Stratisphere \$20 STRAT

Brony Brony \$100

Gift Gift \$25

Legalize It Legalize It \$50 in BTC

Red Ruby Master Donator Red Ruby \$500+

Grand Amethyst Grand Amethyst \$1000+

Quote:What payment methods are accepted?

We currently accept Bitcoin, Ethereum, Litecoin, Dogecoin, and Dash. We do not accept Paypal or credit cards.

Quote:What forms of payment do you accept?

Good choice. Surprised this wasn't added sooner but I know things have been busy. Won't be surprised to see Ripple go either.

No. It's a donation award.

Haroshi™ - December 8, 2017, 1:16 pm

From the looks of it i like the doge award more, was cheaper aswell but i love bch glad it got added, means more services and companys get interested in it.

Blazin - December 8, 2017, 1:50 pm

Good move I can see other coins most likely leaving soon too.

Malicious` - December 8, 2017, 1:51 pm

Orgy has it already.

Is the new award just like other donation award or is it something else?

I have like \$49 btc in wallet atm. XD

Might have to dig in paypal account to get a little bit of xchange huh..

You need to pay with BCH. If you want to make those \$49 BTC into BCH, fees will most likely take ++20%.

There is delays in sending the IPN which triggers the granting of the award. Please be patient.
