Thread: [Nearly 15000 dollars in 3 days on snapchat. | Raised 5000 dollars for kids in need |](#)

Autophobia - December 9, 2017, 9:37 am

As everyone knows snapchat is my source of income. This month was better then expected with the holidays i was sure id lose a ton of sales but i was wrong.

Along with this accomplishment i used my fanbase to generate over 5000 dollars to buy toys for children in need.

Mr. Reviewer - December 9, 2017, 9:38 am

so you made 14k in 3 days?

Autophobia - December 9, 2017, 9:39 am

(Dec 9, 2017 10:38 AM)Mr. Reviewer Wrote: [\[CITE\]](#) so you made 14k in one day? Over a 3 day period. I only open sales for a week or less.

Prawnster - December 9, 2017, 7:49 pm

Do you have a proper funnel w/ a strong back-end set-up and just selling stuff cheap, or are you only trying to sell them one thing at a time? Lmk and I can probs help you improve it or find missing parts, I don't need anything in return for giving simple advice.

Z666666666 - December 9, 2017, 9:33 pm

You can upsell your own products, we do it in the Marina and Park world.

"oh you want electricity while camping? Well we have camp sites for 15\$ or we have RV Sites that have water, electricity, fire pit, picnic table under cover for \$45"

People LOVE to pay the extra money even though it's effectively defeating the purpose of camping, they eat it up.

Then there are second sales, like stores do when they put snacks and drinks at the checkout line. He's just offering to help grow income by providing more incentives for already purchasing clients, or already interested.

Awesome work on the revenue though ?

EK96 - December 11, 2017, 6:40 am

Pretty much; nice example too. From what I've tested, upsells/downsells alone have boosted revenue for me by 20-30%.

IdeaPad - December 11, 2017, 11:02 am

VYLLYN - December 11, 2017, 11:03 am

As theyre checking out, have a discount coupon for a fan merch keychain related to their product pop up.

Upselling on the internet is a big way to boost revenue. It's the final "are you sure that's all you want? Here's more things you may like"

Autophobia - December 13, 2017, 9:11 am

How much of a % do I pay in taxes? It all depends on write offs and your state how much you made that month etc etc
