Thread: [How much can I make if I have a model?](#)

ghaleon16 - December 9, 2017, 12:32 pm

Hi guys, as the title say, how much money could I make with a 24/7 model? My girlfriend knows about all the ewhoring stuff and told me that want to try it with me, using her as a model :) And she wasn't kidding. From 1 to 10 she must be a 6 or 6.5, and she is 18 years old, so maybe we can make a good amount of money. What do you guys think?

If she regrets it, we can forget this, but if not, I will try to post my daily earnings, lol.

Syfer1234 - December 9, 2017, 12:34 pm

Why the hell would you do this with your girlfriend when you know it works just as well with strangers

Autophobia - December 9, 2017, 12:34 pm

I mean is whoring your girlfriend out on the internet worth any amount of money? Once the pictures are out anyone can find them. Your friends. family. School mates. Like it's a lot of risk and so cuckish for a couple hundred dollars maybe more

t6nn123 - December 9, 2017, 12:44 pm

Just dont do it man, your girl is worth more.

We aren't from United States or Europe, so it would be really hard to someone of our country to find the photos, and we can make some excuses if it happens. I used to ewhore 2 years ago, and made a good amount of money, with a model i think we can get really good money.

Syfer1234 - December 9, 2017, 12:46 pm

Then I guess just have her take verification photos for you and whatever the guys request and have her dildo fuck herself on camera lol. Can I watch?

If you really wanna use your girl,i'd advise you both joining chaturbate,more profitable.

xScylla - December 9, 2017, 1:19 pm

ewhoring your girlfriend? I hope she leaves you

J Fish - December 9, 2017, 1:25 pm

I was being objective, almost no one can't tell that her girlfriends or boyfriends are a "10" being objective.

Kolleqt - December 9, 2017, 1:35 pm

To be pretty honest... it doesn't sound like you guys want a lasting relationship together - based of this thread alone. If this is the case then I'd say do it.

kad - December 9, 2017, 2:45 pm

Depends if she has what a guy would pay for

Fatboy Slim - December 9, 2017, 2:46 pm

If you're even considering this, you're no better than a pimp.

And rating your girl a 6 or a 6.5 to people you don't know is a dick move, dude.

Jesus.

Why would I be a pimp? As I said before, SHE proposed this, and didn't told it one time, she told this 3 times in one day. Also, I wouldn't be taking all the money, we would spend it together because we live together. And... you're on this ewhoring forum, so, it's most likely you're currently ewhoring or you did it in the past, you used pics and videos from a unknow girl, without her permission, and want to call me a pimp, jesus.

About the 6 or 6.5, I've explained that, I was being objective, no one is perfect, so, that's the score that I gave her taking in mind our society beauty standards.

Make sense lol

Nighterance - March 15, 2018, 5:17 am

Why would you do this to your girl man... just use any free pack or buy one. You can make bank with pack. And it is not about photos verifications etc, it is about your traffic and se.

JWH018 - March 16, 2018, 2:33 pm

Haha so many butthurts here, go ahead and make money dude, I know people who do the same and the only problem they have is PayPal (selling sexual services butthurt paypal).

- **JK** - - March 16, 2018, 2:51 pm

No need to use your girlfriend dude. Plenty of ways to make money even with free saturated packs. Just read up on some methods and test for yourself

Cryzonservices - March 16, 2018, 3:00 pm

reverse the roles.

Would you let her ewhore your ass on webcam for millions of guys to see you?

i highly doubt it.

Clearly you both dont respect each other so if thats the case, go ahead.

?BIG Punisher™ - March 16, 2018, 4:59 pm

I think you need to have a better chat with her and be completely transparent.

JohnG0tti - March 16, 2018, 5:04 pm

I can deliver you the magic stick and a pimp outfit

? ? ?

Anyways don't use your girlfriend's nudes just use a similar body type and skin color and your girlfriend can help with the verification like voice verification, etc..

This.

The fact that your girlfriend is happy with you whoring her out for money might be a hint you need to re-think your relationship.

Malto - March 17, 2018, 4:15 am

1. Find a pack with a girl who looks similar to your girlfriend. Same body type, hair color and so on.
2. Let your girlfriend ONLY do faceless, non-nude custom verification pics when someone ask for that.
3. Sell the pack of the other girl.
