Riyu - December 11, 2017, 5:12 am

I'll take the vouch copy, if it's still available.

Sounds good ty bro

Alright, I've had a chance to look at the method.

It's a pretty much straightforward method that can make you some side money. It took me about 5-10 minutes just to do the method and I was able to earn \$34+ \$10 bonus. = 44. OP was kind enough to provide pictures as well which makes it easier as I know a lot of people have a hard time reading a wall of text. The only downside of the method is the payout period but if you do it every other day, once you get that payout, you will have a ton of money. OP should disclose the payout period (imo) as I know some people want quick fast money lol.

It requires zero investments and so far I'm impressed. I've also never seen this in any other eBook as well.

I'm not sure if it works worldwide but it does work in the US.

I totally agree with what you are saying the payout period is 3 months but as you get closer to the payout you are making more and more many as you go along

And to answer your last question Yes! It works worldwide!!!

Ok have bought this method and it is quite legit. Earned \$64 today but be prepared to wait to get the money as mentioned above of 3 months. It is a method I have not seen used anywhere. OP just dont saturate this too much before they catch everyone out. I need to make my investment back. Excellent support via Skype as well. Thanks

Enjoy! I'm only selling a few more copies!!!

Mazak82 - December 12, 2017, 3:26 pm

Bought it today and all I can say is that it works (no point in posting another similar screenshot). Velocity1214 is easy to deal with and he's online most of the time so whenever i had a question I got the answer really quick.

It's not a get rich fast method but it can provide a nice side income with just few minutes of work per day. Overall great product.

What requirements or tools do you need for this method?

Litterally 5 minutes out of your day to read and then 5-10 minutes to get it started!

Mazak82 - February 8, 2018, 2:17 am

You're fully aware that the method DOESN'T WORK anymore (since first days of January) so why are you still selling it?

That's pure scamming.

What makes you say that? Glad I saw this lmao. Can you prove it doesn't work anymore? The OP nor vouch copy user didn't comment on that.
