Update:

Invex told me he will refund my money

Msg To Invex :

I am waiting refund my money

Update:

Invex had my money and btc

He replied only after I raise the dispute here (after 1 day) but not agreed to give my btc / paypal

When I raised the dispute with paypal instead of returning my money he argued, he delivered it as digital product in paypal dispute messages (Anyone need proof pm me)

This clearly shows he tried to scam me!

I proved to paypal the product is not available as digital !

He lose the argument, the dispute made to my favor.

I think I will get money this week

My advice to ppl, never ever deal with this Idiot scammer!
