Showcase

Since it's nearing Christmas and all the gifts are being sent out. We will be showing off all the gifts we've received from our Secret Santas from the previous thread ([click](#)). If you missed out this year, make sure you catch it next year! Normal sign up times will start around the end of the year (Sept-Aug). Posting in this thread is not a requirement for the SS event but if you'd like to share you definitely can! Feel free to try and guess who your Secret Santa was as well! Try to remain anonymous as possible however and don't reveal whom your recipient was.

LET THE SHOWCASE BEGIN!

Hmmmmm lets see what people got.

I would've loved to do it again but unfortunately I had zero time to even be on my pc.

They're never that bad except for the gum that one loser got.

But then he got some lit figurine and shit so I guess it was worth it.

Edit: hold the fuck up, completely forgot about the fucking Guilty Crown BluRay.

Got some Serial Experiments Lain blu-rays, pretty rad as I love the show.

Now I just gotta get my ass to the bank so I can send out my gift.

Why do you artists like whores? The game isn't any fun if you win before you even get to play.
