Thread: [Scammed for \\$150 AGC by kieppenek \(UID = 3465716\)](#)

Podgor - December 13, 2017, 8:38 am

His profile:

<https://hackforums.net/member.php?action=profile&uid=3465716>

User sold me 3 x \$50 AGCs.

<http://prntscr.com/hn12a3>

I paid 0.01073835 BTC to the address he provided.

<https://blockchain.info/tx/cb092020eec6c59b77ce23b8b74c005a3935beb6e784317442f084f2b75ecc1>

The next day codes got withheld from amazon balance.

<http://prntscr.com/hn141i>

Kieppenek was informed about it.

<http://prntscr.com/hn14ef>

He told me that person he ewhored got his account locked and promised to give me the refund.

I'd say that this will be as far as it goes. Sorry for the loss, but I wouldn't have taken the risk with him anyways, especially since he doesn't have much to lose.

Pablo Escobar - December 14, 2017, 10:12 am

It's a newbie account I don't think he cares for his account and will return the money tbh

Podgor - December 15, 2017, 9:00 am

I don't care that much also, just informing you not to deal since he's a scammer.

Themis - December 15, 2017, 4:43 pm

glad to see someone getting justice around here

mascalalox - December 8, 2018, 6:52 am

i have got scammed too he didnt send the money, i sent 2 agc for 100\$ 2 days ago
