Thread: [Scammed by TRAUMA | \\$50 LTC | UID = 2819045](#)

Tree of Life - December 14, 2017, 1:37 pm

Profile: [TRAUMA](#)

UID: [2819045](#)

Him messaging me saying he can do the deal

Spoiler ([Click to View](#))

Proof that I sent him the funds

Spoiler ([Click to View](#))

I then let him know that I've sent the funds, he said he has sent me the money.

Spoiler ([Click to View](#))

He has now stopped replying to messages.

Couldn't be fucked waiting around for him to sort it out as it doesn't look like he will anyway since there are multiple other deal disputes already open.

I should've checked his rep and searched his UID but I felt like being stupid today.

Let me know if I should include anything else and I will add it if I feel it's necessary. ?

It's actually hilarious that he's still able to scam people when he has a whole page full of scam reps.

its actually hilarious that he is not banned yet from the forum. Okay i understand that HF doesnt want to get involved into deals between users but if someone scams so much they should get banned.

Apparently staff do not get involved with deals on here. We all deal at our own risk.

Messaged me the other day if I had any work for him.....

IDK what to say tbh, people get desperate this time of year.

Woitzyy - December 15, 2017, 3:01 am
He messaged me yesterday to buy me \$500 BTC... Hopefully I didn't accepted due to his negative reps
