Thread: [EWHORING KIK METHOD! + HOW TO GET TRAFFIC \[FREE\] \[NOOB FRIENDLY\]](#)

007 - December 17, 2017, 3:58 am

The Kik method

Requirements:

an android / windows device

an eWhore pack (get one here: <https://hackforums.net/showthread.php?tid=5802171> by Silver Haz3)

SE Skills

A Kik account for your girl

A PayPal / Amazon account for your girl

Step 1: Downloading Lynx kik

(for windows devices, download bluestacks first)

If you want to ewhore on kik, you will need a tweaked version of it. Otherwise people can see that your photos are from your gallery instead of live.

How to download Lynx kik

First Enable unknown sources on your android device.

Download [Lynx Kik](#) Stock

Open it and log in

Go to settings, Lynx settings, Fake camera

Now your gallery pics will be shown as live pics

This is also the moment to get a pack / amazon / paypal account if you don't have one yet.

Step 2: Understanding what you're going to do

You're going to sell nudes / videos from your girl. People will message you, and you have to social engineer them into buying nudes.

Step 3: Social Engineering

My tips for social engineering are quite simple

- 1: Do not talk to them too long about your life, keep it short. This way you won't have many time wasters
- 2: Do not send nude previews, if they want to see you naked, tell them to pay first.
- 3: Make them feel special, don't say that you're talking to other people or so.

Step 4: GETTING THE TRAFFIC

I will show you 3 methods for getting Traffic.

Method 1:

Post your kik on chatboxes / kik usernames sites/apps.

Method 2:

Do shoutout for shoutout with other ewhorers (For example; reply that you want to do shoutout for shoutout, and wait for people to reply to you, or PM you willing to do it.)

Method 3:

Make a matching instagram account, search for Hastags like #Nike or #Adidas, search for 18 - 22 year old guys, DM them that you're willing to send them a nude or 2 if they shoutout your kik.

Step 4: Profit

Just keep posting that you're selling premium every evening, and you will get sales eventually. You can send them your PayPal link or your amazon account.

Good luck!
