Attempted to swap my \$200 pp into btc @ 15% with funtela. Deal was fully done onsite and my payment was sent on December 10th (7 days ago). The payment was held so I told him we could wait and it ended up releasing but he hasn't sent me the BTC in over 4 days since payment release.

Finally after pming him today again he claims he has issues with his pp and that he is self banning. Shame on you cunt.

Edit: After telling him that I would open a dispute on site and on paypal he claims that he will send me a bit of btc now and the rest little by little. Do not deal with this user.

Here is him ignoring me on skype:

I swear this guy thinks he can just establish some sort of pay per month system after I fucking pay him in full.

Copywriter - December 17, 2017, 4:28 pm

Why won't he just pay you back in full...?

Yeah.. he kinda fucked up.

weld - December 17, 2017, 4:29 pm

Damn man, thats a lot of money to be out on. Hopefully he fixes you up.

funtela - December 17, 2017, 4:33 pm

Open the dispute on PayPal if you want. That's all I can say.

Fuck you

But yet you chose that.

I told him I'd fix the situation. To add me on Skype. I haven't been on Skype in days.

PayPal isn't going to give him the money back bro... you're in the wrong here.

If he wins the dispute, doesn't PayPal pay it and put Funtela's balance as negative and eventually send a bill? Not that it is a solution, obviously, just asking.

You haven't been on in a few days...how is OP responsible?

I'd open one too if you weren't on for a few days.

You're on HF now, fix it over PM? It doesn't take a genius to figure that one out.

I told him to open the dispute on PayPal.

My account is limited and I can't even refund payments.

As of the 7th you boasted \$900 BTC balance.

You have multiple sales threads and no doubt eWhore as well, and you can't cobble together \$200 from all of your property combined?

What if he doesn't win the dispute?

Yes, if he were to win the dispute that is what would happen.

Will they decide that he will win or will you let him win the dispute? Big difference

I'm not sure. I can't refund because of the limitation. But maybe it'll let me with a dispute.

You'd have to reply to the dispute if you want to win it, wouldn't it be in your interest to let OP win so he can get his money back since you can't refund him?

That's what I'm saying. When a dispute is open, PayPal would give me an option to provide a refund to close the dispute. But, I'm not sure if it will still let me while I'm limited.

I'm waiting for OP to open the dispute so I can try.

e?erg1zer - December 17, 2017, 5:20 pm

Honestly, even if he refunds you, it's not really worth the time wasted making the dispute. Obviously, it's not as easy as it was with trust scan, but before dealing with someone you should search for their UID in the Deal Disputes section, like I've done [here](#) with Funtela's. Whether or not they end up being resolved (wasn't sure, I didn't look through all of them), it's generally safer to just exchange with someone more consistent.

That being said, depending on how you argue the dispute (or maybe not, it might not even matter), you should win easily, but it could take awhile.

B FOR BADASS - December 17, 2017, 6:56 pm

Funtela is on vacation ban now..

He will be back after 3 months.

And how do you know this isn't a cover up? Possibly to buy time.
Nothing against you.

I've done transactions with Fun, and in the past the same thing has happened and he had it resolved appropriately. I can vouch for him 100%. I was sketched at first, but he did do what he promised and was able to resolve all matters in a timely manner.

I don't know why these idiots come on the thread saying shit like "Ohhh its ok he vacation banned, he will be back in 3 months to start paying you"

So this scammer gets casual forgiveness like this just because of his rep? Jeez, adding to dispute db right now. THIS IS NOT RESOLVED.

DenizZ - December 18, 2017, 1:44 pm

Why do you even deal with Funtela? He always has an excuse to delay payments.

SnapchatKing - December 19, 2017, 7:30 am
