Thread: [Nike.com 20% off and next day air shipping codes](#)

Flummox - December 18, 2017, 4:43 pm

I'm selling 2 separate codes preferably together but I will sell apart if needed.

One is for free next-day air shipping

One is for 20% off anything on nike.com (I don't believe there is any exclusions. I used one on a pair of \$200 shoes before and it did. I applied the code to my cart to check if it would work with clothes too and it did, so it should work for anything).

Taking offers, pm me or comment, get that quick shipping for forgotten christmas presents before it's too late!

What's the price on these?

I would also like to know the price on these , interested in purchasing.

I'm open to offers right now. It'll depend on whether buying both or separate.

I'll pay 5\$ for the 20% off.
