Awesome, been looking for this! PMing you now.

Edit: Turns out this is only for Ub3r members... would probably be a good idea to state that in the thread.

**blank.** - December 26, 2017, 4:51 am

Hey man,

Although I'm not upgraded I'd really love to get this, my old upgrade expired, I tried buying another but I have my money in Cryptopia but the fees are literally higher than the price, and I have insufficient funds. I was in the process of editing a video because I'm on vacation now but cannot atm because I have no access to Premiere Pro. Anyways, hope you can pull through. Merry Christmas.

**Lukas** - December 26, 2017, 8:32 pm

Still giving these out. Have unlimited slots. :)

**.Astro** - December 26, 2017, 8:37 pm

If we already have the upgrade, can we get an extension on it or does it need to be a new/un-upgraded account?

**Lukas** - December 26, 2017, 8:39 pm

If your contract ends before the new one does, I'd assume it could be extended. Let's try it out.

**Tzuyu** - December 26, 2017, 8:41 pm

Will send you a message, thanks in advance!

Yeah, as long it isn't costing you anything big, I wouldn't mind testing it out.

I'll PM you the email in a few.

**MaxSellsHax** - January 10, 2018, 7:19 am

I know I'm not an upgraded member but this is worth a shot but the method I've been using until today has stopped working and as a student I can't afford getting the upgrade for myself but need it since I do small designing jobs (Photoshop and a bit of Ae) for people a know to get a bit of money in, would appreciate it if you could shoot me a PM or allow me to forward you my adobe e-mail address. Thanks in advance and have a nice day
