[BUY NOW!](#)

Meow - December 20, 2017, 5:14 pm

Seems like a solid guide, best of luck selling this! ?

James Burnham - December 23, 2017, 2:40 pm

(Dec 20, 2017 06:14 PM)Meow? Wrote: [\[CITE\]](#) Seems like a solid guide, best of luck selling this! ?
Thanks, Meow. I appreciate it ?

Kway - December 23, 2017, 2:50 pm

Will you be giving out any vouch copies?

?Skwiid - December 23, 2017, 4:10 pm

I have received a vouch copy of this ebook and I must say, for \$10 this is undervalued! It contains 6 pages of great information.

The information contained will allow you to maintain a paypal safely without the risks of getting limited and I can guarantee that this guide does what it promises.

For the price, this ebook is definitely worth it and may save you tons of money by avoiding paypal limits.

Gustav. - December 23, 2017, 5:42 pm

I got a vouch copy from Burnham and this ebook is definitely well put. Everything has been stated accordingly in order for you to keep your paypal. \$10 is such a great price for this book. If anyone of you guys are having issues with limitations and whatnot, look into this and buy it. It will certainly help you guys out in the future.

HeShotThat - December 23, 2017, 6:09 pm

Information is great for anyone new to PayPal, I just wanted to see if there was anything I already didn't know. Well written book overall. I would recommend this to anyone looking to know how PayPal works.

Theocritus - December 24, 2017, 1:26 am

Got a vouch copy of this product from Mr. Burnham earlier today and here is my full review of it.

First off, the pricing of this is very fair in my opinion. Too often do i see people overcharge for their potentially shitty products out of pure greed or what else. This is by far not the case with Mr. Burnham's products.

Never once have i felt his products have been overpriced and this one is no different.

At \$10 this is great value ?

Now for the actual contents and such.

As always the grammar, Punctuation, setup and all is solid and i can't see any glaring errors whatsoever.

The actual content in this guide is also very informative and has lots of value to most members in my opinion.

It includes lots of different ways and info on how to go about avoiding limitations and so forth.

For me personally having the experience i do, i was already aware of most of the things in this guide, but even i learnt a thing or two from it, which is saying something ?

But for the vast majority of people, especially newer members looking to start up and don't know much, this guide will teach you everything you would want to know regarding avoiding limitations and everything else that comes with it.

And as i stated for the low price of \$10, i sincerely believe this product is well worth it for more or less anyone, and not far from a must buy if you are new to this ?

This is a very good product and i would recommend anyone wanting to know more about PayPal to buy it ?

ai?maN - December 25, 2017, 8:49 pm

Does this teach you how to avoid limitations on new paypal accounts? for instance having to wait 3 weeks to get money.

James Burnham - December 25, 2017, 8:54 pm

(Dec 25, 2017 09:49 PM)ai?maN Wrote: [\[CITE\]](#) Does this teach you how to avoid limitations on new paypal accounts? for instance having to wait 3 weeks to get money.

When you get the 21 days payment hold, Paypal tells you to provide a tracking number. If you do that, the money will be available faster. This is public info and I did not include it in the guide. I will include some info in this topic in the next version.

127.0.0.X - December 25, 2017, 9:15 pm

can i get a vouch copy ? looks helpful guide

James Burnham - December 26, 2017, 5:23 pm

(Dec 25, 2017 10:15 PM)127.0.0.X Wrote: [\[CITE\]](#) can i get a vouch copy ? looks helpful guide

I am sorry, I have already given a few. The price is 100% reasonable, though. I think the people that wrote the reviews can confirm that.

Theocritus - December 27, 2017, 3:37 am

Nice to see this get a sticky, gl with sales burnham ?

Ash Ketchum - December 27, 2017, 6:10 am

goodluck with sales mate :p

TOM - December 29, 2017, 1:06 am

Big vouch for Paypal Ninja it works well , and the seller is really helpful . good luck with sales

Hoxus - December 29, 2017, 11:39 pm

vouch & bought this course and learnt coule of new things .

allesbaba - December 30, 2017, 12:17 am

Bought this couple days ago and I should say that is a very well written ebook and really helpful as well.

James Burnham - December 30, 2017, 3:38 pm

That is Paypal softban. Try using an autobuy site like Rocketr, I found that direct payments are more likely to cause softban.

Would this work for example my personal / business paypal has been permanently blocked/limited and now they chain ban my accounts.

Will this help me get started using my own personal name? But attaching new cards (Have used up all forms of ID so would have to reuse or find a way around that)

1. Yes, it would help.
2. If your name is in the black list, you will have to contact support about this. Chances are slim though, make sure you have an 100% legit service going on before contacting them.
