How did you obtain this exactly? Can you provide a receipt you bought this yourself?

I was given to pay of a debt he owed to me, I knew the guy in real life, and I have the original box's for everything, besides the uhm monitor and the tower, the size of the box's I didnt wanna waste to much storage.

I have barely used it, and I figured I would use it more, but I tend to move more and more away from PC gaming.

vaiperboy - December 25, 2017, 5:06 am

Would you be able to sell the monitor standalone? If so, how much?
And details about shipping please

youe123 - December 26, 2017, 9:48 am

Where are you located? Perhaps arrange for IRL pickup?

SIM-2223238 - December 26, 2017, 10:24 am

Would you sell the monitor seperately, and for how much?
