Thread: [Best coin thats under a penny?](#)

Spotlight - December 26, 2017, 9:08 am

what do ya'll think is the best coin that is less than a penny, that is best for short term profit?
I am looking at Bytecoin but not really sure

Oops, don't know why I thought that was under a penny, probs cause the 1 in 1k.
But invest in InfinteCoin(ITC) blows up often.
