If you haven't started your pregame 2 days in advance - you're wrong.

Two of my buddies and I split the cost for a bottle of Blue Label, crystal drinking glasses, and spherical ice. I think we're missing some stinky cigars though.

Nothing happens to me this 2017 so I'm expecting nothing this 2018.
Anyway, lets enjoy this day before the new year comes!
Hey hey! ?

2018, only 2 years left in my enlistment. Then I can move back with my parents and become the laziest college kid on the block.
