Thread: [Coder to make account creator and have a few other features](#)

'Ryan - January 1, 2018, 8:40 pm

As title says.

I need a coder that can create accounts on a certain platform not allowed to be discussed here.

Also need the accounts to be able to perform some simple actions.

Will need 500ish accounts created.

Willing to pay up to \$300.

MUST SHOW ME PAST WORK
