Vouch for this~

Ninetales. - January 2, 2018, 1:13 am

wow this threaad actually made me interested in the cheat, but at \$100 a week why would i bother. its almost like youre targeting people without lives but even then why are they paying \$100 a week for hacks

definitely a niche product best of lk with the giveaway

??????? - January 2, 2018, 1:14 am

Couldn't get the signature working as you posted because it's apparently over 255 characters...

It isn't centered but it still works.

Thanks for the giveaway man!

Yndras - January 2, 2018, 5:26 am

Thanks for the giveaway:)

I had a problem with the signature because it was adding fonts & color to the sourcecode without any reason wtf (<https://s.put.re/K4YYZH9.png>)

DeminshedK - January 2, 2018, 5:27 am

Not upgraded otherwise I'd definitely put it in my sig. Really fuckin want this so count me in!

SIM-2223238 - January 2, 2018, 6:56 am

Signature is fucked, can't center it but oh well.

Cultavatedd - January 2, 2018, 7:20 am

Signature doesn't seem to work for me as it reaches a char limit, oh well. Count this as my entry.

(P.S) I did my best for the signature but had to remove the text in order for me to put it on.

Nas - January 2, 2018, 8:00 am

Yeah, idk why its not working. Just try to make it work will fix it when I get home.

It's related to how MyBB works I think, not only does it copy the signature itself but it also copies useless data such as the font, size, and colour and sets that in the signature which takes up characters.

Oh I see. Never used to do that.

BloodCyka - January 4, 2018, 3:46 am

i just added the signature you just need to copy it the source code directly into the source code mode of the text editor, took me a while to figure it out but its done.

How does wearing the sig. count as two entries if it's by post #? That's odd. Regardless I am in.

Nas - January 15, 2018, 6:41 am

Basically if you have a sig on you get 2 post numbers. If entry one has a sig they get #1 and #2 and if entry 2 has a sig they get #3 and #4. One more day left for contest!

Crowley - January 16, 2018, 9:13 am
