If you have any slots open I'd be willing to give it an in-depth review if you're doing vouch copies!

Why all 5 payments in "Pending" ?

Also, if these amounts were transferred to your PP acc, how come it shows your balance is \$93.30 ?

Why don't you just ask for Amazon lol? Is so much safer than an unverified PayPal.

i know but amazon its to unsafe yesterday i lost \$100 after 1hour cant more login to account.

and today i send to main the \$93.30

and have pending \$280 in 5,6 days i hope without problems i can send to that money i hate paypal its very strong and unsafe
