Thread: [Shot fired Charlie lee \(LTC\) Justin sun Tron \(TRX\)](#)

Hamziiknows - January 4, 2018, 11:39 am

I'm not trying to steal your hopes or spreading fud. but when Charlie tweeted this I started to realize and think o f*k I did not do my research at Tron I just followed the hype made some good profit from it but after realizing this, I had enough. Im sharing this one whit you guys because money can make you blind and this market is sketchy and not healthy. ?

here is the tweet :

That is an ironic tweet coming from Charlie.

He sold off pretty early.

anyways this isn't even a FUD tweet lol
