Thread: [SIGN UP ON BINANCE WITH THIS BYPASS](#)

Powder - January 6, 2018, 3:42 pm

Unfortunately Binance closed the registrations a few days ago.

Luckily I came across this bypass which allows you to register even though registrations are officially closed.

Post Here or PM me to get the method!

thanks in advance man!, apprecate it

chickendad69 - January 8, 2018, 11:47 am

Can I please have this? I've been wanting to register for days...

Powder - January 8, 2018, 3:30 pm

It's patched. Please do not contact me regarding this.
