Take advantage of this promotion and get a free license, for a period of 1 year, to obtain as a gift the video player

DVDFab Media Player 3

Generally this license would be paid, but now it's free using this link:

Für Chip-Leser: Spezielle kostenlose 1-jährige Lizenz von DVDFab Media Player 3
[Für Chip-Leser: Spezielle kostenlose 1-jährige Lizenz von DVDFab Media Player 3](#)

All you have to do is enter your email adress in the form you'll find on the website (i recommend using an alternative email)

Then you'll receive an email with instructions on how to unlock the software.
