Thread: [BIG DAY FOR RIPPLE JAN 8 \[UPDATES & MORE\] - DECENTRALIZATION?](#)

SIM-1425920 - *January 8, 2018, 9:09 pm*

Sorry for spamming the forums but I felt like this thread was necessary for all the Ripple HODLERS & potential investors given its low price!

They updated their software today which discusses decentralization as well:

"potential investors given its low price!" It's a coin that shouldn't even be \$1 currently trading at over 2x that. That's not a low price.
