Crypto Money Maker

How to make money by investing into crypto

Hello in this ebook I teach you how to invest into crypto currency like bitcoin. This is not an ebook file, rather it's mentoring via Skype/TeamViewer to help you understand easily and quickly. I teach you how NOT to lose money investing, and how to do it safely. I provide Skype lifetime support and updates, with great advice.

Price: \$4.99

I accept ETH, PayPal, and more.

I just realized that I had your Skype ID wrong. I was messaging someone else's Skype that I thought was you. So that's why you weren't getting my messages after that. There's a lot more to the mentoring process and that's not everything in this method. We barely got started.

I messaged you on Skype and now we are getting back on track. That was a misunderstanding.
