Thread: [How to chargeback F&F \(Prepaid Visa\)](#)

d3 ? - January 9, 2018, 11:38 pm

pretty sure i was just scammed, i paid using a prepaid visa card

any opinions? any help appreciated.

HOMODIN - January 9, 2018, 11:40 pm

"unauthorized transaction" - then call pp and tell them about the situation... that's what I would do but oh wait, can't afford to call them :D

You people need to learn to quit sending it as friends and family, not only are you hurting yourself, but you're also going against TOS to avoid any fees (buyer and seller), call up paypal and tell them the situation, they can charge it back manually. Good luck.
