Thread: [Name this minigame?](#)

Fudster - January 10, 2018, 8:11 pm

I used to play this minigame on OSRS F2P...It gave you free runes, Used to play that minigame often to train my magic.

I can't remember the name of it. Anyone have any ideas?

Sounds like Fist of Guthix.

Had to run through the wilderness to get there? Got tokens for playing?

I liked it back in the good old days. It was really noob-friendly.

I enjoyed FOG. Was a nice addition to the game, also came with the berserker rune shield.

This was pre-eoc times, wish they would add more to F2P or even more mini-games (even though it will be dead content in a week perhaps..) but the game is only limited to players, player count can raise and drop at any time and with such a low dev team.

I wish Granite / the berserker shield was in game to F2P.
