Thread: [Free Stealth Drops and Recoveries](#)

Banana - January 12, 2018, 8:37 am

Looking to get some vouches for a service i'll be opening up soon.

Note: The stealth drop is only for people who have a bank balance below 500 million.

I will be adding 200 million to your account along with whatever rank you want (keep it reasonable).
I can max skills as well.

I am only doing this for steam users as I don't know how to use the social club client for those accs

PM me if interested
