It looks awesome, sometimes I see anime tattoos, and they're poorly done or poorly executed.
kudos to you man!

I actually think this tattoo is really cool. I have always wanted a tattoo but never could decide on what i wanted.

Ninja™ - January 17, 2018, 4:20 pm

From which anime is it?

I have seen it before but can't seem to remember.

Hell yeah, dude. Nice choice. That's something that I have in mind too if I decide to make me a tattoo. Watch out for the monsters in the night ?

Flamingo - January 23, 2018, 8:36 am

Probs to you, looking really neat!

Usually I sort of dislike anime-related tattoos, don't get me wrong, I love anime.

I just personally wouldn't ever put the name of a character, name of a title or a face of a character on myself like that.

But I like that style, a simple logo like that, love that.

That1Dude - January 23, 2018, 12:06 pm

thanks for the love man <3

Reading what? Are you talking about a Manga then? Not an anime?
