Thread: [Free ETH Award Giveaway! \(Ended\)](#)

Dark Element - January 13, 2018, 5:33 am

Free ETH award giveaway

Reason:

Recently grabbed myself the ETH award, and been investing a lot of money into Cryptocurrency. Made some money due to the call-outs given by this community.

For that reason I would like to give back by paying for the ETH award for a lucky member.

Ended:

Intro

Due to I won't be able to give out the award at the 19'th nor the 20'th, and I believe most people already have made a comment on this thread. I've taken the pleasure to move the contest date to now.

I hope people won't be disappointed for not winning. And I hope everyone will look forward to further giveaway/contest from me in the near future. I tried to record using OBS. But for whatever strange reason. That I am an complete "noob" bad person at these recording things. It didn't record, so I hope everyone can take my word for who won.

I removed everyone who wasn't qualified. Apparently some accounts has either been closed or exiled. I've excluded those accounts.

Excluded accounts
