Thread: [Do inactive accounts get deleted?](#)

pitty211 - January 14, 2018, 1:25 pm

Hi, Have not been on since 2013 i think. Went to sign into my old account it is not working just wondering if accounts get deleted if not used in a while. i was leet and had a fair few posts

Cheers.

They used to be, but aren't any longer. Your account was probably automatically closed if it was inactive for a long period of time before last year.

All inactive accounts that have been inactive for 1+ years were closed a while ago.
