Thread: [GET FREE ITEMS FROM 7/11 >> NO BULLSHIT << GET ITEMS INSTANTLY](#)

the6ix - January 14, 2018, 6:13 pm

Recently I've been reverse engineering the 7/11 rewards and came across a neat little exploit which allows me to generate accounts with 800 points in them.

You can redeem 800 points for items like,
Big Gulp Drink, Medium 7-Eleven Hot Coffee or Hot Beverage, Any Ring Donut, Any Fresh Fudge Brownie or 2-Pack Cookies, Any Taquito, Medium Slurpee, or Medium Chllders Iced Coffee.
Practically unlimited food/drinks...

You do not have to wait,
You get an account from the website, sign in with the details on the 7/11 app, redeem a reward, then go into 7/11 and get it!
You can do this as many times as you want, we ARE not using cracked accounts, this is an exploit I've found and decided to give it away to you guys for free.
You also don't have to worry about them denying you your item, because it is directly from their 7/11 app.

How it looks
