Best of luck with the group, seems like it was a decent group.

It surprises me how fast some groups come and go.

They're worth a lot of money, it doesn't surprise me that an owner would like to sell one.

Galaxias - January 15, 2018, 9:31 pm

Can't wait to be in another group temporarily before it's officially sold? LOL

Jimmie - January 15, 2018, 9:33 pm

Confirming this to be true and also to note the subforum has already been wiped so don't expect anything interesting there.

"Ex-Head Leader" Omg Thornzzz the only time a owner is gonna let you own a group is if you put a shit load of money down or, they have too many groups to manage and give one to you to lead for the shits and giggles. Oh wait....

Views - January 16, 2018, 6:41 pm

Divined has purchased the group and I'm no longer leader so thread is closed thanks to all who participated.

edit: wow forgot you can't close threads anymore.
