Thread: [YouTuber's Give a Huge S/O to BAT - BAT MOONS](#)

Cobianco - January 17, 2018, 4:26 pm

Now these two YouTubers have mentioned BAT expect 100s of YouTubers to start mentioning and using BAT. BATmen are we going to the moon or to the heavens with this one?

Kill Joy - January 17, 2018, 6:22 pm

This has been on the agenda for a long time. Of course it should help raise the price over time as it is adopted more.

Transcendent - January 17, 2018, 7:18 pm

It was \$1.00 10 days ago and dropped to .36 from the dip its at .63 right now I might buy at .50 if it drops any lower

shreder - January 17, 2018, 8:17 pm

Im pretty sure brave browser blocks against mining sites ah so nice I like BAT. I don't have too much but it's still good.

Mewtwo - January 17, 2018, 8:23 pm

Wish I bought BAT at 35 cents, would be insane gains.

Trappy - January 17, 2018, 8:53 pm

Dumped my BAT at 66 cents.

I bought BAT at almost the start of the megathread. I hold 160 BAT @ \$0.18. it's not much, but I'm all about what's behind this coin, so that's what matters

Cagey - January 17, 2018, 11:04 pm

BAT is a solid long term investment
