Thread: [If you die, what will be you remembered for?](#)

0xDEADDEAD - January 19, 2018, 2:37 am

I will be remembered for my love and care for people.

What about you guys?

FryPan - January 19, 2018, 2:38 am

I'm not old enough yet to have lived enough experiences, but right now it would probably be my anxious life.

oRequiem - January 19, 2018, 2:41 am

It's kind of hard to say because I'm pretty sure most people here are from ages 15 - 30. Don't quote me on that lol, but so far nothing besides being a good, quiet person.

SIM-3257834 - January 19, 2018, 2:49 am

I'll be remembered as that one person who might kill themselves in the future or soon.

Vyxn - January 19, 2018, 3:48 am

I don't know. I don't have any friends in real life, I only have my family and relatives. Maybe a usual answer? Being a good boi and knowing da wae.

Making a kid add young age

mrnoprobsz - January 19, 2018, 4:32 am

Kekdem - January 19, 2018, 6:03 am

Nothing good in my opinion but hey in a couple years from now that could all change.

Tree of Life - January 19, 2018, 6:14 am

If I didn't clear my browser history before passing, I'd be known for partaking in many kinds of P0rn D:

OT: Nothing yet, but hopefully I'll stay ticking til I accomplish a few of my major goals in life so that'll change.

I like that mindset, being kind goes a long way. It costs nothing but means a lot. People remember how you treat them.?

leste - October 5, 2025, 6:59 am
Nothing much comes to mind, but I guess I would be remembered as a fun person and someone

who doesn't lie.

RangoWorld - *October 9, 2025, 5:57 am*

I'm not famous enough. So probably people will remember me for my;

- Kindness
- Resilience
- Eccentricity
